

PARENT PARTICIPATION PROGRAM

Every Assumption School family is expected to support the Parent Participation Program which aims to achieve maximum parent involvement and at the same time to help meet the annual costs of school operations. The Parent Participation Program requires each family to give **48 hours** of service as outlined in the following activities:

Fall Festival - October 17, 2010

Each family must work a minimum of 5 hours in support of this event. Likewise, each family is responsible for the sale of raffle tickets and the donation of items. It is extremely important that all families support this major school fundraiser and parish community activity.

Great American Magazine/Wrapping Paper/Gift Sale - September, 2010

It is important that each family support the sale of these products by assisting with time in preparation of sales, assisting with distribution of materials, or by assisting with accounting needed for these sales. PLEASE NOTE THE PURCHASE OF ITEMS DOES NOT COUNT TOWARD SERVICE HOURS.

OLA Golf Tournament - February, 2011

It is important that each family support these events either through donation of time in preparation for the event, assistance on the day of the event or attendance at the Casino Night itself.

Dinner-Dance - April 9, 2011

Participation of families is needed in this important fundraiser to assist with preparation, donation of items, assistance at the event itself and attendance on the evening of the event. Each family is responsible for the sale of raffle tickets and the donation of items.

Our Lady of the Assumption School does not have a mandatory SCRIP program. However, each family has the option to purchase SCRIP, available for purchase year round, to assist them in completing the total service hour requirement.
